Why should I apply?
You may qualify to pay a reduced visit fee when you come to a provider at Hometown Health Center

How much will it cost?
There is no cost to apply for the Sliding Fee Scale program. Service fees are reduced on this program. The medical visit fees range from $10 - $45 per visit depending on your household size and income. You may also qualify for a minimum fee of $40 for dental hygiene (*cleanings*) service or reduced charges for other (non-hygiene related) dental services/procedures with the dentist.

What is covered?
This program covers healthcare services provided by Hometown Health Center but does not cover visits to the hospital or other healthcare providers. You must apply at those places to participate in their programs. According to federal guidelines, Hometown Health Center is required to update our sliding fee scale program annually - based on changes made to the federal poverty income levels. This takes place on March 1st of each year. Therefore, the program you qualify for may change at that time.

How do I apply?
Complete the application. Be sure to provide information for all your adult household members. Bring in or send us proof of income for all your income sources. If you are not sure what that means, there is a list of what we need for each kind of income on the application checklist.

Is this program considered to be health insurance?
No. This program is not considered to be health insurance coverage for tax purposes.

Can I use this program if I have health insurance?
Yes. If you qualify based on your household number and income and your health insurance has high deductibles or co-pays, you can still use this program to reduce your health care expenses. This is a discount program for services at Hometown Health Center.

What can the Health Care Marketplace can do for you?

- New health insurance coverage options are available through the Federal Marketplace.
- Low-cost and free plans are available and financial help is available based on how much money you make.
- No one can be denied coverage because they have a pre-existing condition.
- You may be eligible outside open enrollment if you have a life change such as marriage, relocation or the birth of a child, or if you lose your health insurance through job loss or losing MaineCare.
